Become a Friend

Founded in 1973, the Friends of the North Brunswick Library is a not-for-profit organization whose members promote literacy and help raise awareness of our library's resources and its contribution to the community.

The Friends sponsor library programming for all ages and provide financial support for library materials, equipment and events that supplement the funding received from the town of North Brunswick.

Proceeds from membership dues, donations and the annual book sale enable the library to expand its resources and benefit the community.

"Perhaps no place in any community is so totally democratic as the town library. The only entrance requirement is interest."

Lady Bird Johnson

Benefits from "Friendship"

The Friends of the North Brunswick Library brings together a group of people who are passionate about their library. They meet, volunteer and participate in library activities and events. The Friends have consistently donated funds for books, DVDs, videogames, programs and equipment for children, teens and adults making a better library available for everyone.
